Program available while supplies last.

The Oklahoma Assistive Technology Foundation (OkAT) has been awarded a grant from the U.S. Department of Homeland Security, Federal Emergency Management Agency (FEMA) to install smoke alarms and alert equipment in the homes of individuals with a disability.* OkAT partners with Oklahoma ABLE Tech, and Fire Protection Publications at Oklahoma State University to offer this free program to Oklahomans.

Program Features:

- Installation of smoke alarms and alert equipment in the home
- Alert equipment will include a bedside unit with a loud, low-frequency signal and a bed shaker; and in some homes, a smoke alarm with a strobe light to alert individuals who are deaf in the event of a fire
- Help with planning a home fire escape map
- A home safety checklist to help lessen risks in and around your home; and information to help prevent fires, falls, and accidental poisonings.
